## Degree Plan or Course of Study

The Scholarship Program requires that all students complete a *Degree Plan* or *Course of Study* as part of their Higher Education Scholarship application.

The *Degree Plan* or *Course of Study* should be a document detailing the courses/classes required by your institution for successful completion of your major/program of study and your intended degree. The *Degree Plan* or *Course of Study* must include all required courses and number of credit hours of elective courses (if any) allowed in the degree.

A *Degree Plan* or *Course of Study* may be a document that your school already has. Some schools refer to a *Degree Plan* or *Course of Study* as the "Program Curricula". If your school does not have such a document, you will have to create a Degree Plan with an advisor from your school.

The *Degree Plan* or *Course of Study* must be signed by a representative from your school's Admission Office, Academic Advising Office, or an academic department and include his or her title and contact information.

If you have any questions about the *Degree Plan* or *Course of Study*, please contact the Scholarship Program at 253-876-3378 or [ScholarshipsDept@Muckleshoot.nsn.us](mailto:ScholarshipsDept@Muckleshoot.nsn.us) for further clarification.
