# Happy 80th Birthday, Virginia Cross!

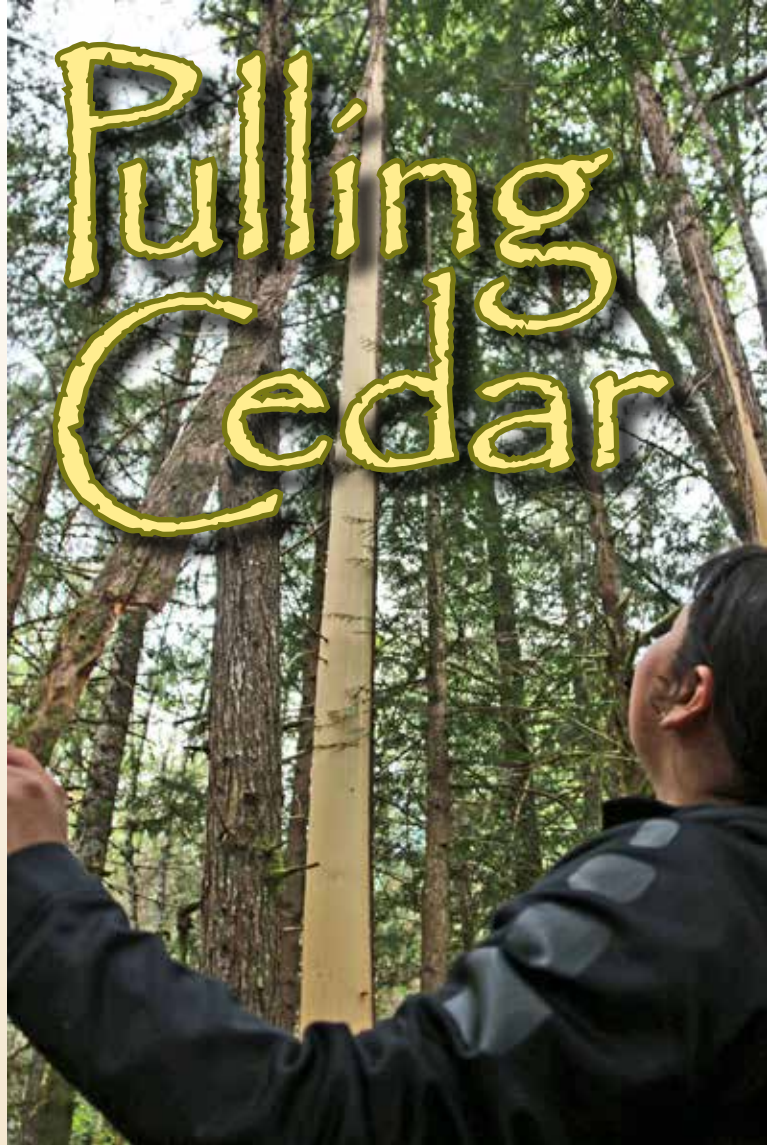

VIRGINIA CROSS 80TH BIRTHDAY CELEBRATION, Sunday, June 16, 2019 @ Game Farm Park, Auburn, WA, featuring special guest ELVIS, a/k/a Danny Vernon. He is simply the best. If you close your eyes and listen you can't tell the difference between him and The King. Happy Birthday, Virginia!

Virginia Cross 80th Birthday Celebration  
Game Farm Park, Auburn, WA ~ June 16, 2019

A rare opportunity for pulling cedar bark came up recently when a tract of land within Tomanamus Forest with quite a bit of cedar was scheduled for harvest. Since the trees would soon be logs, all the bark from each tree could be stripped, instead of the usual practice of taking 1/3 and then leaving it to heal. It was the perfect time of year for pulling cedar and many, many people were up there trying their hand at it. It was a memorable time for all!

## Fathers' Day Luncheon

A delicious meal of ribs, pulled pork, etc. was catered by Meaty Johnson's of Seattle. The business is partly owned by tribal member Junior Maldonado, and was the subject of an article a few editions back. The food was sublime. Kudos to the Tribal Council Staff for organizing the event.
