MotoCross Racing

MotoGirl Kari Hutchens #111 is still racing Motocross (dirtbikes) and now her dad Larry Hutchens #007 or #11 has started racing more too!! They have been participating in the SRC MC Friday Night Series held at Pacific MX Raceways.

They both brought home trophies thru the season or as I started referring to them as "tokens" because Larry drives a little car and reminds me of Super Mario ?? (not all tokens are in photo & some are Kari's too)

The series is over and their Award Ceremony will be held at end of Sept so more photos to follow! - *Fawn Hutchens*

They participated in a Vintage Race held at Riverdale MX track and Kari, her Uncle Grant and her Dad Larry all raced that weekend, Not at same time but was neat to have them all take the track that day!!

I was able to witness a Very Rare Moment: Daughter & Father were able to start in same Moto together! (few photos of them on the start line)

A night on the town

I want to tell this young man how proud of him I am. He has grown and overcome so many obstacles, and keeps his head up. He does not let his learning curves keep him from doing the best he can do. He just started 1st grade and I can't wait to see what the future holds for him.
The sky is the limit. I love you more than you will ever know. Erixavier Moses we are so proud of you!
