

Honoring Our GRADUATES

Muckleshoot Celebrates Another Stellar Year for Education During the Graduation Season of 2022

By Joseph Martin

Muckleshoot Tribal Education Officer

MUCKLESHOOT – The June 2022 Muckleshoot Graduation Season represents the 21st year that I have been blessed with participating in our annual graduation season for the Muckleshoot Indian Tribe! I want all of you to know how honored and blessed that I feel to be a part of such a beautiful community here at Muckleshoot! Thank you very much to everyone in our beautiful community for all of your dedication, hard work, support and commitment to achieving excellence in our MIT Education Programs!

I want to begin by stating that we are extremely thankful to our Muckleshoot Tribal Council, Muckleshoot Executive Committee for Education, the Muckleshoot Higher Education Committee and the Muckleshoot Tribal School Commission for supporting and sponsoring all of our 2022 Muckleshoot graduation ceremonies.

On Friday, June 10, 2022, nearly 700 people gathered in the beautiful Muckleshoot Casino Events Center to celebrate 33 incredible Class of 2022 high school graduates from our Muckleshoot Tribal School! I also had the good fortune of listening to all of our Class of 2022 Muckleshoot Tribal School high school graduates introduce themselves to our Muckleshoot Tribal Council members on Thursday, May 19, 2022 at the MIT Casino Events Center. Our Class of 2022 graduates are truly brilliant, resilient, talented and amazing! I cannot wait to witness the incredible accomplishments that our Class of 2022 graduates are destined to achieve!

In the history of our Muckleshoot Tribal School starting with our first high school graduates from MTS in 2001, we have now reached the amazing milestone of having 361 high school graduates from our Muckleshoot Tribal School!

To put this in perspective, in the nine-year period from 2001-2009, a total of 32 students graduated at the original Muckleshoot Tribal School campus in the old Muckleshoot Community Center.

This means that the old tribal school averaged 3.5 high school graduates each year for the nine years (2001-2009) before our Muckleshoot Tribal School moved to its new campus in September 2009. The graduation of 33 more high school seniors for the 2021-2022 academic year continues our yearly trend of increasing the average number of students graduating from our Muckleshoot Tribal School. In fact, for the past thirteen years (June 2010 through June 2022) MTS is now averaging 28 high school graduates per year.

This was an amazing year for our Muckleshoot Tribal School graduates and we are all extremely proud of their incredible accomplishments. I want to recognize our Class of 2022 Muckleshoot Tribal School high school graduates and highlight some of their future plans:

Our Muckleshoot Tribal Members continue to achieve great success by earning degrees and certificates in higher education through the support of our Muckleshoot Scholarship Program. We all want to celebrate the wonderful accomplishments of our Muckleshoot Tribal Members who are achieving college degrees from numerous high level programs across the country.

We also achieved an excellent number of graduates from our Muckleshoot Department of Education programs. If you combine the total number of graduates from Head Start through higher education, it would look like this: Muckleshoot Early Learning Academy (Head Start) – 57; Muckleshoot Tribal School Kindergarten – 37; MTS 5th grade – 52; MTS 8th grade – 53; MTS High School – 33; Muckleshoot students graduating from other local high schools – 19; Muckleshoot Adult and Higher Education Division: college degrees – 30; post-secondary certificates – 76; High School 21 Plus Diplomas – 18; and, finally, GEDs – 1. Our 2022 Muckleshoot Tribal Graduation Season resulted in another successful graduation season with a total number of 376 graduates.

I want to take this opportunity to salute all of our proud 2022 Muckleshoot graduates and all of our families. I am extremely proud of all the dedication and hard work that our students, families and staff members contributed to making the educational experiences of our students so successful. We are looking forward to every one of our Muckleshoot graduates taking advantage of our Muckleshoot Scholarship Program, achieving their college degree or higher education certificates, and being hired for positions of leadership here at the Muckleshoot Tribe, or in our greater community.

I want to thank each and every person who contributed their time and hard work to make this 2021-2022 academic year and graduation season so successful. We all have witnessed and participated in another historic graduation season for the Muckleshoot Indian Tribe. Let us also give thanks to the many Tribal Elders and Tribal Leaders whose dreams and hard work have made the Muckleshoot Indian Tribe's vision of "education as a lifelong journey" possible.
